William & Mary Dining Services raise awareness for March of Dimes Event
 W&M Dining's Culinary Team helps raise money and awareness
 at Williamsburg March of Dimes Event

Sunday, November 6th, the culinary team from William & Mary Dining Services participated in the 2016 March of Dimes Signature Chef Auction held at the Williamsburg Hilton Doubletree. Led by Campus Executive Chef, Stephen Losee, the W&M Dining team were able to take away an award for 'Most Outstanding Dessert' of the evening. This award showcases some of the creative and artistic abilities of this extraordinary team. In addition to the award, W&M Dining Services was able to raise \$1,850 for this wonderful charity event. The William and Mary Dining Services is honored to work with the local community to raise money and awareness for our local March of Dimes partners.

The March of Dimes' Signature Chef Auction events aim to bring together top local chefs to showcase their culinary talents and raise important funds for the March of Dimes. The events are held in communities nationwide and feature fine dining, fine wine, auctions, and entertainment. All proceeds benefit the March of Dimes mission of improving the health of babies by preventing birth defects, premature birth and infant mortality.

William and Mary Dining Services continually seeks to create exceptional student experiences. Through participation in the March of Dimes' Signature Chefs Auction we look to broaden our reach to include the greater Williamsburg community in this mission. Representing the College of William and Mary at a notable charitable event is just one of the many ways the William and Mary Dining Services team gives back to the greater community.
